

OLPS Experiences

Students share their experiences at Our Lady of Prompt Succor School. From the first day to years past, students find they love their time at school.

“My first day of school at OLPS was wonderful because my teacher is nice, and I made a friend.” --M.R.

“My first day of school was terrific. I’m really going to like 4th grade.” –M.M.

“My first day of school was really fun because I learned new things and got to play outside 3 times.” --J.S.

“My teacher from last year taught me some things, well LOTS of things, including this fun math thing. ‘8X8 fell on the floor when it woke up it was 64 because 8X8=64.’” --N.S.

“One thing I like about OLPS is the Fall Fair. It is so fun. There are a lot of games that you can play with your friends.” –A.R.

“I love O.L.P.S. because all of the great new things we have. We have so much technology, like computers, Promethean boards and Smart boards.” –A.B.

“I love my school because of the sports. This year I am playing football and trying out for basketball.” –M.H.
