

BULLDOG FOOTBALL

Congratulations to the OLPS Bulldogs! What a super win over Sacred Heart! They had an outstanding season! 5 wins, 1 loss, and 1 tie!

When asked what their secret to success was for this year, the 6th grade players all agreed that, "it was about team work and supporting each other." That is definitely the Bulldog spirit!

BULLDOG BASKETBALL

The Bulldogs and Lady Bulldogs are heating up the court with their passes, plays, and points. The OLPS boys' and girls' teams are practicing hard and playing well against teams like Country Day and Poland.

Laura L. commented on the Lady Bulldogs. "Our games have been close. Our team looks good."

OLPS basketball games continue through this month. Show your school spirit and support a Bulldog!

OLPS BOOSTERS

The OLPS Boosters ROCK! Students loved to watch the Boosters show their spirit at the Pep Rally. The Boosters are true fans of the Bulldogs!

6th Grade Favorite Sport Events

My favorite sport event is LSU football. When I was watching the LSU VS Florida game, I was so happy when the Tigers got the win. My prediction is if the Tigers keep playing like this, they will be in the BCS Bowl game playing Ohio State.

Many people don't think dance is a sport, but I think it is because I get to compete among other dance teams. I like dance because it's a way to express myself and like any other sport, I have to be in shape to play.

My favorite sport event to watch has been when Spain won the World Cup in 2010. Even before they went to South Africa to play, they were ranked in first place. Brazil was ranked in second place, but they lost to Netherlands. It was fun to watch the 2010 World Cup.

My favorite sport is softball. I have been playing since I was four years old, and I am still in love with it. I am on three teams throughout the year. I play on a travel ball team, a Dixie team, and the Prompt Succor Lady Bulldog softball team. I love softball, and it is still my favorite sport.

The sport that I like to play the most is basketball. My friend and I love to play basketball. My dad bought a basketball goal for me. Basketball is awesome! I love to play it and yes, watch it too!

I am in Boosters at OLPS. I thought it would be fun. My family and I know the teacher who is in charge of the Boosters. Her name is Mrs. Susan and she is very nice. She teaches us a lot about how to show our Bulldog spirit.
