Message from our Principal

As we reflect on the 2025–2026 school year, we are grateful for the many ways our school community continues to grow and thrive. This year brought exciting campus improvements, including the completion of our new school fence to enhance safety and security, as well as the groundbreaking of our green space, butterfly garden and Pre-K playground. These additions represent more than physical changes, they create opportunities for learning, connection and experiences that will benefit our students for years to come. Thank you for your continued support and investment in the future of Our Lady of Prompt Succor School.

Campus Projects

This year brought exciting progress across our campus as we completed all phases of our fence project and broke ground on our new green space, butterfly garden and Pre-K playground. We also planted our Ginkgo Grove Memorial along Chester Street, creating a lasting space of beauty, reflection, and growth for our school community.

Partners in Education

We would like to give a huge THANK YOU to our 2025-26 Partners in Education. Your support makes one of the largest impacts on our school from helping with everything from educational needs to campus projects.

Thank you for your support

Thank you for your continued support of Our Lady of Prompt Succor. Your generosity, partnership and belief in our mission make a lasting impact on our students, teachers and school community. Because of you, we are able to provide opportunities that nurture faith and academic excellence. We are deeply grateful for your commitment and for being an important part of the OLPS family.
