

Student Athletics, Clubs, and Extracurricular Activities

OLPS Sports Offered:

- Football (4th-6th)
- Cheerleading (4th-6th)
- Pup Squad (2nd-3rd)
- Girls Basketball (4th-6th)
- Boys Basketball (4th-6th)
- Cross Country (3rd-6th)
- Co-Ed Soccer (5th-6th)
- Softball (4th-6th)
- Baseball (4th-6th)
- Intramural Basketball (1st-6th)

OLPS Clubs/Extracurricular Activities Offered

- Student Leadership Council (SLC) - 6th Grade
- Junior Beta - 4th, 5th & 6th Grade
- Art Club - 3rd - 6th
- Bulldog Brainiacs - 3rd-6th
- 4-H - 4th - 6th
- Brownies/Girl Scouts
- Cub Scouts/Boy Scouts
- Girls on the Run
- Play/Theater
- Altar Servers
- Children's Choir
- Band
- Piano Lessons
- Prayer Club
- Homework Helpers
- Robotics

Academic Expectations

- Students are expected to maintain an average of a C or higher in all major and minor subjects.
- Grades will be checked by an administrator or the Athletic Director every Monday for eligibility requirements, beginning when each subject has at least 150 academic points.
- If an OLPS student does not have an average of C or higher in FACTS on Monday, he/she will not be allowed to participate in games or activities (including athletics, clubs, and extracurriculars) until their average is brought up to a C or above. At the time that the grade is a C or above, a student will be eligible effective immediately.
- Students may not participate in athletic games, practices, club meetings, or extracurricular activities if the student has a test or graded assignment that has not been completed within 3 days of returning to school following an absence.
- All OLPS athletes and club members must have a weekly Conduct grade of "A" or "B" in FACTS in order to participate in games and/or meetings and activities.
 - If a student receives a weekly Conduct grade of "C" or below, they will be unable to participate in extracurricular activities for the following week.

Athlete/Club Member Behavior

- OLPS students are ALWAYS representing Our Lady of Prompt Succor School even if not on campus. The school behavior policy applies to athletic and club events.
- Students are always to live by our motto, "Jesus, when others see me, may they recognize you."

Game Day Dress/ Club Meeting Dress

- On game days and Wednesdays, students may wear their uniform jersey with school uniform bottoms. A uniform shirt or spirit shirt needs to be worn underneath sleeveless jerseys.
- Students may wear club t-shirts or organization shirts/uniforms on meeting days and Wednesdays.

Faculty Sponsor Roles

- Faculty Sponsors will be the communication liaison between the school and the volunteer coach and/or parents. Responsibilities may include collecting participation and uniform fees and paperwork, communicating practice, club meetings, and game day reminders, scheduling gate and

concession parent workers, handling of money bag, eligibility communication, and any other duty as needed.

Student Attendance Expectations

- Any participant of extracurricular activities who leaves school because of illness is not allowed to participate in the activity that day/night.
- Students who are absent from school for more than 4 hours must have an excused absence in order to participate in any after school activities for that day.

Philosophy

The OLPS athletic programs are designed for those students attending Our Lady of Prompt Succor School. The objective is to develop its participants physically, mentally, spiritually and socially through sports. They are designed to develop sportsmanship and camaraderie through competition as well as general knowledge and skills in the sport they are participating in. It is also designed to teach students discipline and time management in the balancing of sports and studies. Winning is a secondary objective.

Channel of Communications:

Pastor or delegate <->Principal or delegate <-> Athletic Director <-> Faculty Sponsor <-> Coach <-> Parent

Athletic Director and Coaches:

The OLPS Athletic Director, Faculty Sponsors, and Coaches are responsible for the care and well-being of the student athletes. They are selected on a **volunteer** basis and are expected to be a Christian role model for students. They are expected to work within the scope of the athletic guidelines set by the school.

Student Athletes:

Student athletes wishing to represent OLPS as part of a school based athletic team should be prepared to fully commit to the OLPS sport they wish to play.

When committing to play on an OLPS School Athletic Team, OLPS team practices and games must be a top priority over non-school athletic teams and clubs.

If an athlete misses OLPS practices and/or games in order to attend practices and/or games for a non-school athletic teams, it is at the coach's discretion to lessen that child's playing time.

Intramural Basketball

OLPS offers a 4 week intramural basketball season to all students in 1st thru 6th grade. To participate in intramural basketball, a parent simply signs up their child when the intramural sign up email is sent out. The purpose of intramurals is to begin teaching the basic fundamentals of basketball (dribbling, shooting, passing, defense, etc.) and to start teaching teamwork skills. Intramural practices are held once a week by grade level and then followed by a short game. The kids who are there on game day are divided up by the volunteer coaches based upon observed skill level in practice to try and have even competition. This allows all the kids to play with and against the other kids in their age group.

Tryout Protocol:

If more students desire to play for a team than optimum numbers dictate, a try-out process will be used to create the final roster. Optimum numbers are as follows: Basketball, Soccer, Baseball, & Softball - 11 players; Football & Cross Country - no maximum number. In the event that a tryout is necessary, the following protocol shall be used:

- 1) An email will be sent out to parent(s) of all students eligible to try out for said athletic team at least one week prior to the tryouts.
- 2) There will be a mandatory parent(s) meeting with the coach(es) and the Athletic Director prior to tryouts, to go over team expectations, commitment level, fees, and the tryout process. One parent must attend the meeting in order for the child to tryout. In **extreme cases**, the parent(s) need to make contact with the Athletic Director prior to the mandatory meeting to explain why they will not be able to make said meeting.
- 3) Tryout attendance is mandatory, however, in **extreme cases**, the parent(s) need to make contact with the Athletic Director prior to the scheduled tryouts to let them know why the student cannot make the tryout. It is at the Athletic Director's discretion as to whether the student has a valid reason for not making the tryout. If the Athletic Director feels that the absence is valid, then they will

work with the parent(s) and coach(es) to schedule a private tryout for the student.

4) There will be no parent(s) allowed at the tryouts. Only coaches, Athletic Director, Faculty Sponsor, and tryout judges will be allowed during the tryout. Parents will drop off their student prior to the scheduled beginning of the tryout and then can pick them up once the scheduled tryouts have ended.

5) Once the teams have been selected, the Athletic Director or the Faculty Sponsor will email the final team roster to all the tryout participants.

Team Selection Process:

Athletes will be chosen from the tryout process based on performance. This decision will be guided by the tryout judge(s) and finalized by the athletic director. The top 11 athletes from tryouts will be selected to join the sports team. In the event that enough students tryout to form 2 teams for the same sport, the next 11 athletes will make the 2nd team. Student grade level is not indicative of which team they will make - it is solely based on tryout performance and performance ability. All 6th graders are guaranteed a spot on a team. Any 4th or 5th graders that fall below the top 11 selected for each team will be notified by the athletic director that they did not make the team.

Fees/Waivers/Academic Policy:

Before any student athlete can compete in a game for OLPS, they must have turned into the Athletic Director the following:

- 1) The athletic fee for the sport played (Billed through FACTS)
- 2) The uniform fee or uniform deposit for the sport played.
- 3) The signed OLPS Athletic Form through OLPS website

The athletic fee for each sport will be communicated at that sports sign up.

Uniforms:

For basketball (girls and boys), soccer (girls and boys), cheer, baseball, softball, and cross country (girls and boys) student athletes will purchase their own uniform. The uniform will be the student athletes to keep at the conclusion of the athletic season. The Athletic Director, Faculty sponsor, and coach(es) will select uniforms, size the student athletes, and order the uniforms for the team.

The student athlete will be assessed through FACTS to cover the cost of the uniform prior to receiving said uniform.

For football OLPS will supply all or part of the uniform. For this sport, if the uniform or any piece of the uniform/equipment is not returned at the end of the season, the student will be billed to replace the items through FACTS.

Practice and Games:

It is expected that all members of an OLPS athletic team will make every effort to be at all practices and games during the season. If a student athlete must miss a practice or game, they need to alert the head coach 24 hours in advance of the missed game or practice. Excessive unexcused practice absences will lead to dismissal from the OLPS athletic team.

During games, it should be understood that OLPS athletic teams will be playing to compete at the highest level. This does not mean that winning is the ultimate goal of any OLPS athletic teams or that OLPS coaches will utilize a "win at all cost" mentality. The ultimate goal of OLPS athletics is to teach student athletes how to be good teammates and good competitors. OLPS athletics also strives to teach student athletes how to compete at the highest level and still represent OLPS and their Christian values during competition.

There will be no practices or games on school holidays unless consent is given by the school administration. In the event that school is closed for weather related or other emergencies, there will be no practices or games.

Please note that there is no minimum guaranteed playing time for any athlete in any sport.

Athletic Banners

Athletic Banners will be purchased by each athletic team that meets at least one of the following criteria:

- Football/Baseball: Wins a league championship or is a league runner-up
- Basketball: Has a winning season, A winning season is classified as .86 winning percentage or higher

The banner must match the existing banners and be approved by the Athletic Director and the Administration. Banners will only contain the sport, names of the team members, coach names and school year.

Student Athlete Conduct:

All OLPS student athletes, represent OLPS when they are out in the community and as such should be Christian role models to all they come in contact with. It is an honor and a privilege to represent OLPS in athletic competition and it is expected that all student athletes act accordingly.

Student Athlete Grade Requirements:

To participate in sports, students must maintain a C average in each major and minor subject and have an A or B in conduct in Renweb.

- A. Grades will be evaluated by the administration each Wednesday throughout the season on FACTS, beginning two weeks prior to the first game. If a student's grades are below the minimums listed above, he/she will be placed on probationary status. The administration will notify the Faculty Sponsor who will then relay that information to the Athletic Director, the head coach(es), and the student's parents. This probationary status will last for one week at the next grade check on Wednesday.
- B. There will be **NO** refund of the registration fees or uniform fees for any student who is dismissed from the team due to academic or disciplinary reasons. In the case of football, the uniform deposit will be returned once the complete uniform and equipment have been returned to the school.

The OLPS Designee when receiving news of an ineligible player will contact the Athletic Director and the head coach of the team and let them know that said player is now ineligible until the grade average is met. They will in no way or at no time discuss specific grades of OLPS student athletes with the Athletic Director or head coach. The OLPS Designee will then reach out to the parents to alert them of their student athlete's ineligibility issue.

Parents may contact the OLPS Designee for their child's sport and ask for a grade recheck when they believe that their student has brought up their ineligible grade to the required minimum grade average. At that point the OLPS Designee will ask OLPS administration to perform a grade check on FACTS and will report the findings back to the parents. If the student athlete is indeed eligible, the School Designee will then report that back to the Athletic Director and head coach.

Parent Expectations and Conduct:

It is expected that parents represent OLPS when they are out in the community and as such should act in a Christ like manner while at all athletic events. It is also mandatory that the parents participate in volunteering as gate workers, concession stand workers, chaperones, etc. as their time and work schedule allow. If an athlete does not have a parent volunteer at any point throughout the sports' season, the coach or Athletic Director will assign a shift to them. If everyone makes an effort to help out when asked or when needed, it makes the opportunity to represent OLPS athletics more enjoyable for all associated with it, especially the student athletes.

If a parent has an issue with a coach, another student athlete, faculty sponsor, or a specific non-game situation, please follow the chain of communication shown above. In the event that a parent has an issue with a game situation (playing time, coaching style, etc.), OLPS Athletics has a "24 hour" rule in place. No parent shall discuss game issues with coaches, faculty sponsors, or athletic director until approximately 24 hours has passed since the end of the game when said issue occurred. This gives everyone (parents, athletes, coaches, faculty sponsor, etc.) time to think things through and not react in the heat of the moment. At the end of the 24 hour period, parents need to use their judgment on where in the chain of communication they should start their conversation based on the issue that needs to be discussed.

Coach Expectations and Conduct:

It is expected that OLPS Coaches represent OLPS when they are conducting practices, games, and out in the community. It is a privilege to coach and represent OLPS in athletic competition and as such coaches are asked to act accordingly. Coaches are expected to teach fundamentals, game strategy, and rules of the sport. Because sports help athletes to develop teamwork skills, character building, and accountability skills OLPS Athletics also requires the coaches to help the athletes develop these as well. As stated above, winning is not the primary objective of OLPS Athletics; however, it should be understood that coaches are free to coach and strategize in a way that gives them an opportunity to field a competitive team.

If a coach has an issue with a student athlete, a parent, or a specific situation, please follow the chain of communication shown above. When a parent or student athlete approaches a coach with an issue, that coach will try through communication and discussion to solve the issue and all parties can move

forward. If that is not able to be accomplished, then the coach and/or parent/student athlete will move the issue up the chain of communication.

Intent to Participate:

All eligible to participate will be sent an email with a Google Link to complete agreeing to the terms and payments of the athletic sport.

WAIVER: In consideration of my child's participation in the activities of the Prompt Succor Athletic Program, I do hereby agree to hold free from any and all liability Prompt Succor and its coaches, officers, employees and members, and do hereby for myself, my heirs, executors and administrators waive, release and forever discharge any and all rights and claims of damages which I/my child may have to which may hereafter occur to me/my child arising out of or connected with me/my child's participation in any activities of the Prompt Succor Athletic Program. I attest that I have read the athletic policy and will abide by the rules listed in said athletic policy. I also hereby declare myself/my child to be physically sound and able to participate in the activities of the Prompt Succor Athletic Program.
