

OLPS Summer Bridge 2026 Entering 2nd Grade

Your child has worked hard this year and learned a lot! Research shows that students easily lose a couple of months' worth of skills during the summer break. We don't want this to happen to our students. So we will continue the skill based Summer Bridge Program. This will help students continue to strengthen skills necessary for the next grade. Below are activities and links to complete this summer. All assignments should be completed by July 31st.

	June	July
Math	<p><u>Log-on to IXL and do one Lesson a week to a Smart Score of 80:</u></p> <p>Add word problems - ZES Subtraction with number line - LRN Measurement - D7U Word problems - 9Q9</p> <p>For each Lesson completed you will earn 1 BONUS point in Math.</p>	<p><u>Log-on to IXL and do one Lesson a week to a Smart Score of 80:</u></p> <p>Make number sentences using adding - VSE Make number sentences using subtraction - RSR Time - 5FJ Word problems - KY5</p> <p>For each lesson completed you will earn 1 BONUS point in Math.</p>
